Good for Your

Dancing is obviously good for your health and your heart. It is also beneficial to your relationship with your children. They will always remember the good memories you gave them by bringing them to dance class. And trust us, your heart will swell with pride on the day you and the rest of your family and friends see them step on stage to perform in the recital.

Recital Fee

Our annual recital is scheduled for Saturday, May 15 at 2:00pm. There are many costs involved in putting on a nice recital. To cover these expenses there is a \$25 recital fee for each student. This fee will be due March 1st with March tuition. After March 10th, the recital fee will increase to \$35.

Recital Tickets

Tickets to the recital will be \$10. This year tickets will be sold by reserved seat instead of first come first serve. Tickets will be available beginning in April to families that have their accounts paid up including recital fee and May tuition. The exact date that tickets will go on sale will be announced next month.

A Great Teacher

Tiffany is new to our studio this year. She is from Kansas City and grew up dancing at Dana & Priscilla's of Kansas City. She has experience in the world of competition dance and she was also on the UCM dance team in college. She has a great attitude and is very dependable. Now she teaches ballet classes, but next year you can expect to see her teaching more since she loves many styles of dance.
