We would like to take this opportunity to welcome everyone back . For those that are new, we are glad to have you here.

We have made some improvements over the summer. We will be highlighting some of these changes in this newsletter.

One of the improvements is the contents of the newsletter. We are going to try to provide additional information you may find helpful. Everyone that comes to the studio is considered family and we would like to keep everyone informed about all aspects of what happens at the studio.

If you have a subject that you would like us to include in a future newsletter, please let the front desk know.

This newsletter is being printed and distributed for the first month. Future newsletters will be on the bulletin board and placed on the website.
